375. AN 1865 CAVALRY SABER

Tonight we have a Civil War C. Roby (Chelmsford, Mass.) U.S. Model 1860, dated 1865, Cavalry Saber. Original uncleaned and unsharpened 35" blade with address on one ricasso and "U.S./A.G.M./1865" on reverse. Nice edge with NO dings and old patina. Includes original buff washer. Original brass basket hilt with very old mustard patina. Original leather covered grip with original wire braid. Solid construction. A nice addition to a Civil War collection. The 1860 Cavalry Sabers were used by the U.S. Cavalry from the American Civil War until the end of the Indian Wars. The M1860 saber received its name to distinguish it from the larger and heavier Model 1840 Heavy Cavalry Saber that it replaced. Like its predecessor, it had a brass guard, leather-wrapped grip and steel scabbard, but unlike the M1840, it was smaller and easier to handle. By the end of the Civil War over 300,000 sabers had been produced: 200,000 by Ames, 32,000 by Roby and many more by firms such as Tiffany and Co., Glaze, Justice, and Emerson and Silver. Later in the Civil War, large cavalry charges became less common and the cavalry took on the role of skirmishers. Many replaced their sabers with extra revolvers, or left it in the saddle while fighting on foot. Used extensively by both North and South during the war.

516. A PRIVATE CHARTER JET ADVENTURE

The Auction is thrilled to offer this brand new adventure...A private charter jet for four! Fly away for a day, or for a long weekend, or for a week, to the destination of your choice within 800 miles of the Warrenton-Fauquier Airport in a HondaJet! Want to spend the day at Martha's Vineyard for seafood and the view? We'll have you there in an hour and 10 minutes! How about a long weekend in Boston for lobster and a Celtics game? Just an hour and 20 minutes each way. Rather spend a week in Charleston, South Carolina? Welcome aboard...there's ample space for all your golf gear! The HondaJet features executive seating for four with a fully private aft bathroom. You will be flying in comfort and style! Perfect for two couples or a family of four. In addition to flying in the quietest, "greenist," smoothest light jet in the world, you **won't** have to deal with long lines at the airport, or TSA inspections, or lost luggage! Your pilot, Frank Perfetti, is a former airline captain, with over 27,000 hours of flight time, mostly in multi-engine jets – you will be flying with the best! Frank will pick the smoothest route, the best altitude, and ensure your comfort. Your HondaJet can fly at 43,000 feet to avoid most weather; it climbs at 4,000 feet per minute, to put you at the smoothest altitude quickly; and it cruises at about 450 miles per hour, to get you to your destination quickly. You must make arrangements for your flight with the Auction Office **at least one month in advance**. SO, where do YOU want to go in your private jet?

YOUR PRIVATE HONDAJET INCLUDES:

- **A Destination Flight of Your Choice for A Day, Weekend, or Week**
- **Destination Must Be Within an 800 Mile Radius From the Warrenton-Fauquier Airport**
- **Arrangements Must Be Made At Least One Month in Advance Through The Auction Office**
