Congo/Hill Ancestor Project:

Dear Parents and Hill School Homeroom teachers:

In conjunction with our upcoming study of the Democratic Republic of the Congo, we are hoping to collect some images of the ancestors of our children. Part of the tradition in Congo is to look to the ancestors for wisdom and guidance. We would like to create a poster in each class homeroom that shows the childrens' ancestors. If you have a photo or painting of a family ancestor, please take a photo of it and email it to Linda Conti at lconti@thehillsschool.org.

Please add the relevant information, such as the child's name, relative's name, and relationship. It would be nice if the student is able to say something about the relative in their homerooms. Thank you!

The NicoloWhimsey Show

part of Shakespeare in the 'Burg 2017 (Mar. 31-April 2)

Friday, March 31st, at 3:15

(Fun and education for the whole family, with focus on pre-k - 6th grade)

The show will be a 45 minute performance by The NicoloWhimsey Show, Nicolo the Jester and The Queen of Whimsey, followed by a workshop in juggling(for 30 students or less)on Friday, March 31st, 2017. The first performance will start at 3:15, and the juggling workshop will follow at 4 - 5pm

The show will be Renaissance-style performances, including juggling, comedy, poetry, character acting, storytelling and audience participation, including some Shakespeare references and Nicolo's" To Juggle or Not to Juggle" bit.

The juggling workshop (from grades 3 and up) emphasizes enthusiasm, patience and joy in learning new skills, juggling scarves and balls, spinning plates, and walking stilts. The workshops encourage positive values, attitudes and work habits. At all times, NicoloWhimsey keeps it light and funny, because what is life and learning without joy and laughter?
