**Thank you!**

The Kindergarten class would like to say THANK YOU to everyone who supported our class by purchasing a hat!

In addition, we would like to personally thank all of the parents who took the time to gather samples and give opinions; to Anne Walker for keeping us organized; to the McDonald Family for donating all of the headbands; and a special thank you to Micah’s grandmother Maya Krakovsky, for so generously donating all of the embroidery work!

Plans are already in the works for a new selection of warm hats for next Winter.
Thank you to the Hill School Families who have already donated to this year’s Auction. We truly appreciate your support.

Summer @ Hill Day Camp

Theme: “America the Beautiful”; July 5 - 8, 9am - 3pm
Theme: “Super Heroes”; July 11 - 15, 9am - 3pm
Theme: “Cooling off for the Summer”; July 18 - 22, 9am - 3pm
Rising Kindergarten through 6th

Each week will be filled with adventure, friend-making and fun as campers explore our 137 acre campus and many of our region’s attractions. Campers are grouped by age and have a camp counselor(s) to lead them through their day. Each day, campers will experience a range of activities including art, sports, science, music, and fun! Elective activities such as robotics, creative writing, and rock climbing will be offered from week to week. Campers will swim at the Middleburg Community Center so bring a bathing suit! Before (8am-9am) and After Care (3pm-5pm) is available each week.

Here is a list of additional camp offerings at Hill:

Adventure Camp #1 - see sportsadventurecamp.com
June 20 - 24, 8:30-3:30
Rising 4th - 9th

Sports & Adventure Camp is back! Students will have the opportunity to mountain bike, tube, kayak, hike as well as play multiple sports and games. In addition to those activities campers will be spending days at the water park, a high and low ropes course with multiple zip lines and the very popular overnight. The activities will vary slightly from week to week. All activities are offered under the "choose your challenge" philosophy where campers are encouraged but not forced to participate in any activity or element.

Adventure Camp #2 - see sportsadventurecamp.com
June 27 - July 1, 8:30-3:30
Rising 4th - 9th

Serious adventure is in store for your 3rd-8th grader as they begin their week navigating over 13 trails with 29 zip lines and close to 200 challenge bridges at the largest ropes course on the east coast! Campers will then spend the next four days kayaking, mountain biking, hiking, going to a water park and going on a camping overnight! It is an adventurous experience like no other!!

Sports Camp
July 5 - 8, 9am - noon
(Rising 5th - 8th)

Hill School invites all sports lovers for a week of athletics, games, and skills building. Coach James Robb will guide campers through an assortment of drills and games to keep campers motivated while having fun. Indoor and outdoor sports such as ultimate Frisbee, soccer and basketball will be included.

Undercover Curator Camp at the National Sporting Library & Museum
July 11-15, 9 a.m. -noon
Rising 3rd through rising 5th grade

Campers will have top security clearance to get up close and personal with Museum artwork and Library collections to discover disappearing paintings, silver code engravings, books in disguise, and more. Participants will not only uncover these mysteries, but recreate them under expert supervision. At the end of the week campers will curate their own exhibition of artwork to be on view at NSLM through the end of July.

Coding Camp
July 11th - 15th
9am - noon
Rising 5th - 8th

Introduction to computer programming is designed to introduce students to core computer programming concepts. The course emphasizes bottom-up programming technique, proper syntax, proper documentation methods, modular programming, event oriented programming, graphic/animation user interface design, and “end user” oriented programming.
**Kiddie Camp**
July 18 - 22, 9am - noon
Junior Kindergarten and Kindergarten

In Kiddie Kamp, incoming Junior Kindergarten and Kindergarten children will meet new teachers, make new friends, and get familiarized with Hill before the start of the school year. Children will enjoy a variety of beach-themed activities including arts and crafts, cooking, and games. We will be sure to take advantage of the summer weather with lots of outdoor play!

**Summer of Science Camp**
July 18 - 22, 9am - noon
Rising 4th - 5th

Use spare parts and recyclables to create electricity with wind, water and sun on Hill's beautiful campus!! Construct a wattle and daub club-house using campus flora and mud from the creek... These are some of the goals of the team of rising 4th and 5th graders who will make and build with Mrs. Burke in her camp. More information to follow! (Camp is strictly limited to 6 individuals.)

**Lacrosse Camp**
July 25 - 29, 9am - 3pm

Led by Foxcroft Coach Patrick Finn, campers will work on skills designed to improve their play, sportsmanship and game skills. Using the 3D lacrosse program, coaches will use a specially designed method for players to maximize game time while also getting one on one coaching. For more information, visit 3D Lacrosse at [https://3dlacrosse.com/](https://3dlacrosse.com/)

**Ready, Set, Go Camp**
July 25 - 29, 9am-3pm
Age range for campers: 7-13

Description of activities:
Lions are roaring at the Hill School this summer! Are you going to join in the fun?! Join Mr. Miller for a week of indoor and outdoor fun and games! Capture the flag, movies, swimming, dodgeball, LEGOs, making art, a barbecue and more... don’t miss your chance to be part of the excitement! We want YOU!!!

Additional costs for campers: $5-10 (for snacks/meal during pool visits)

**Drama Camp**
August 1 - 5, 9am - 3pm
Rising 6th-8th

Join Hill School Drama Director Dr. Giannone-Hosig and Music Director Mrs. Chase for their Musical Youtheatre Camp! This week-long program focuses on creating a safe, fun, and comfortable space for campers to collaborate while developing Musical Theatre skills. Participants will use their imaginations and build self-confidence as they create characters, work on vocal technique, practice movement, and learn popular Broadway music! The week will conclude with a Musical Revue featuring popular songs, scenes, and monologues performed by campers on the Sheila C. Johnson Performing Arts Center stage. This program is open to all levels of performance abilities.

**Civil War Camp**
August 1 - 5, 9am to 4pm
Limit of 10 participants

Colonel Ralph Hess and his faithful sidekick CDR D. Woodruff will once again offer a daring ride through selected Civil War battlefields for this one week. We will visit Bull Run, Antietam, Gettysburg, two of the Fredericksburg area battlefields, and one other TBD. Our expeditions set out from the site of one of Stonewall Jackson’s Headquarters (Hill School Campus) at 0900 hours each morning except for the day trip to Gettysburg when, in order to evade JEB Stuart's cavalry we must depart at 0830. Returns will be prior to 1600 hours each afternoon except for the Gettysburg campaign when we will require an additional hour in which to comprehend this extensive battleground. Details will be forwarded in orders from Col. Hess’ headquarters prior to the beginning of the adventure.

**Field Hockey Camp**
August 22 - 26, 9am - 1pm
Rising 5th through 12th

In the camp, Sydney Bowers, Cricket Bedford and Caitlin McNaughton will guide players through a skill building program based on fundamentals, game situations, and conditioning sure to be helpful for girls of all levels.

Quinoa ~ An Ancient Grain from Peru

This year’s Cultural Study has brought your children to the wonderful country of Peru. There are many unique and delicious foods native to this South American country, but I thought we would focus on one that we know well here in the United States ~ Quinoa! This ancient grain has been a staple in Peru for over 5,000 years and was a sacred crop to the Incas, who named it chisaya mama, or mother of all grains.

Quinoa (pronounced KEEN-wah), a nutritious grain and the seed of Chenopodium plants (commonly known as goosefoot), is actually related to Swiss chard and spinach. The magic of quinoa, however, is its phenomenal nutritional characteristics. Containing almost all 9 essential amino acids, quinoa is a complete protein source. It is also a good source of healthy fats (unsaturated) and is low in carbohydrates compared to other grains. And that's not all! This tiny grain is packed with vitamins and minerals including manganese, calcium, fiber, iron, magnesium, and vitamins B & E. And the icing on the cake - it is gluten-free. Keep in mind that whole grains, like quinoa, are rich in phytonutrients, which can improve heart health and may reduce the risk of heart disease, some cancers, and type 2 diabetes. So eat up!

Quinoa also has a great flavor - subtly sweet, yet nutty. Its light and fluffy texture makes it easy to incorporate into any meal year-round. Simply combine a ratio of 2 parts cooking liquid to 1 part washed quinoa (be sure to wash it), then simmer for about 15 minutes until grains become translucent, and you're set! So now that it's all cooked and ready to go, now what? Substitute quinoa for rice, pasta, or hot cereal; add to salads, stir-fries, and casseroles; use instead of brown rice or fried rice; replace bulgur wheat in tabbouleh with quinoa or throw it in some vegetarian chili. The possibilities are endless.

Happy Spring Break!

*Nutrition Nuggets is intended to provide information and ideas on health and nutrition topics. Please remember that any major changes in lifestyle or diet should first be discussed with your physician.

Did You Know?

Quinoa is a great source of magnesium (Mg), which helps relax blood vessels, making it an excellent remedy for headaches and hypertension.
