Due to space limitations, we ask that only eighth grade parents attend.

DISMISSAL at NOON

8th graders and their siblings may leave with their parents directly from the church. All other students will walk back to Hill School for dismissal. Students in Grades 4-7: pick up at the Art Circle.

Students in Grades 1-3 (and their older siblings) will be dismissed from the main circle.

School will re-open on Monday, November 30th.

The Book Fair 4-8 grade permission slips are on Page 5.

Ski season is coming!

Sign up forms are attached and are due to the office by Friday, Dec. 11.

Parents and students renting equipment need to pick up rental forms at the front desk or download them from The Hill School website. Completed rental forms need to be returned to Hill School before Winter Break.

Health Notice

A couple of cases of possible Pertussis (Whooping Cough) have been reported in the community. Children with the symptoms tested negative but are staying out of school to be on the safe side.

<u>All</u> children are vaccinated against this disease as part of their DTP or DtaP (plus a Tdap booster before 6th grade) immunization. However, the Center for Disease Control and Prevention (CDC) reports that breakthrough cases are on the rise in the US.

While we believe that there is no immediate threat to any Hill School student, we ask you to be vigilent. Please report unusual symptoms—such as a persistent coughto your doctor.

You can learn more at http://www.cdc.gov/pertussis/

Please let Silvia Fleming know if you have any questions.

December lunch forms were attached last week. Orders are due before Thanksgiving.

"Keeping Your Kids
Safe Online"

Discussion Description - Keeping Your Kids Safe Online is a seminar designed to provide parents with an understanding of the online threats to our children and how to identify key tools for parents to ensure kids are as safe as possible. The seminar takes a serious look at these threats and candidly addresses difficult but important themes. Matt Foosaner is a proud Hill School parent of Sammy '19, Joey '21 and Abby '23. He has over 20 years of experience designing and delivering Mission Critical Technologies to government agencies. Matt has a passion for facilitating the safe use of technology amongst our children and since 2005 he has served on the Law Enforcement Committee and Development Committee for the Board of Directors at the National

Center for Missing & Exploited Children. He has created the Keeping Your Kids Safe Online Child seminar to ensure that all parents are empowered to help their kids be safe.

Ski Club 2016

Sign Up Sheet is on reverse side!

Ski Club will meet every Friday (weather permitting) during January through mid-February at Bryce. If your child participated in Ski Club last year but will not be skiing or snow boarding this year, please let Silvia Fleming (540) 687–5897 know as soon as possible.

Siblings not enrolled at Hill are welcome to join us, however, the minimum age for ski class is four years. Family friends who wish to ski with us are welcome, but only children signed up for the season have space in the ski classes.

Parents who ski may purchase their ski lift tickets at the counter at a discount group rate (\$14 on half-days, \$19 on full days). Equipment rentals for parents are also available (\$15 per day, \$7 for helmets).

Rental information: Students and parents may sign up for the whole season and have their equipment set up in advance. All rentals charged to Hill School will be billed for the whole season (\$90 ski and snowboard only, \$130 including helmet), regardless of how often the equipment is used. No charges to the Hill School account will be accepted by Bryce at the counter, ONLY rental forms completed before Christmas, approved and submitted by the School, are allowed. All forms at the counter at Bryce are on a <u>cash-only basis</u>. If you or your child are renting the equipment, please obtain the rental form as soon as possible and return BEFORE CHRISTMAS BREAK.

Rental forms are also available through a link on the Hill School webpage. See www.thehillschool.org

Please note: ALL Hill School students and ALL Ski Club participants are required to wear helmets on the ski slopes.

Snow Boarding is open to children in Grades 4 through 8. Spaces in the classes are limited and will be filled on a first come-first served basis.

New participants in the program should list their ski experiences and attach them to the sign-up sheet. If you have any questions, please feel free to discuss them with Silvia Fleming.

Previous participants in the Ski Program received a skill-level rating at the end of the season from their instructors. This year's ski classes will be formed based on these ratings. This can be an inexact science, since different instructors often rate differently. If, after the first lesson, you feel that your child is in the wrong group, please talk to Pan Benefield or Silvia. If the instructor's observations are similar to yours, adjustments will be made. Often instructors also suggest changes. Please remember: Ski Club is for having fun skiing, learning the basics, and for being with your friends.

HILL SCHOOL SKI CLUB 2016

The 2016 Ski Club will again be held at Bryce Resort in Basye, Virginia. The Ski Club offers a series of five 50-minute lessons and a Mini-Olympic race. Half of the ski classes will meet at 2:15; the remaining classes will meet at 3:30. Before and after the lessons the students are allowed to ski on their own.

SNOW BOARDING: Bryce will offer snow boarding classes (for beginners and for advanced boarders) parallel to the regular ski school classes. These snow boarding classes are open to children 10 years and older (4th grade and up). Classes have only a limited number of openings; the slots will be filled on a first come-first served basis.

Top Ten Turkey-Time Tips for 2015

One week from today we will be celebrating one of my favorite holidays, Thanksgiving! Here are my top ten tips to help make your turkey dinner just as delicious and joyful, while allowing you to be thankful for more than just elastic waistbands post dinnertime ©

- Have a healthy snack before the big dinner. It will help keep you from overindulging from hunger.
- Get some activity before the meal. Whether you go for a run, play a game of touch football in the yard, or spend the morning cleaning-up for your guests, expending those extra calories will help you feel more guilt-free and it may even curb your appetite a bit.
- 3. Drink a big glass of water before the meal (as well as water throughout the day). Water makes you feel full so you may be less inclined to eat more than you really need.
- 4. In addition to water, start your meal with a salad, soup, or some of the lighter dishes. Fill-up on the healthy stuff first and if you still have room you can dive into the higher fat options.
- 5. Add lots of veggies! Sweet potatoes, yams, squash, and green beans are a great way to add more vegetable side dishes.
- 6. If you have a say in the matter, speak-up and swap some of the unhealthier dishes with new, healthier recipes. There are tons of great healthy Thanksgiving recipes online see what you can find and impress your guests with delicious AND healthy foods!
- 7. Bring on the pumpkin pie!! Pumpkin is high in Vitamin A and fiber. One word of advice make your own crust if you can. The store-bought versions are high in trans-fats (the bad kind).
- 8. As hard as it may be, try starting with smaller portions on your plate. You can always go back for more. It takes about 20 minutes for your body to recognize that it is full, so eat slowly and you may not need that second helping. More leftovers for tomorrow!
- 9. Nothing feels better after Thanksgiving dinner than a nice nap, but try getting a little activity. Go for a walk or a bike ride (nothing too strenuous we don't want to see the turkey again).
- 10. Last and most importantly, enjoy the time with family and friends. Take time to reflect on all that we have to be thankful for in our lives.

Happy Thanksgiving!
