

JK Nuggets

January 9, 2015

This week in JK we...

- Made "snow" using a special science kit. It feels just like real snow, but never melts!
- Began Writing Workshop! We got our own journal, in which we will practice writing and drawing matching illustrations. We used the sentence starter, "My favorite Christmas present was_____." We had to complete the sentence by saying each word slowly and recording the sounds we heard. We focused on hearing and recording sounds which we have learned through Letter-of-the-Week.
- Created sock stuffies using socks, buttons, and stuffing! They are so cuddly.☺
- Enjoyed hibernating in our new bear cave!

Our new Letter-of-the-Week is **G**. Please have your child bring in an object or picture of one beginning with **G** on Monday.
