

JK Nuggets

October 19, 2016

This week in JK we...

- Had a great time playing on the structures at Wayside Farm!
- Practiced our coloring skills in Handwriting.
- Went on a "pumpkin plate" hunt. Each pumpkin had a letter on it, and we had to search for a specific letter!
- Played, "Pass the Pumpkin" in math. We had to name the next number as the pumpkin was passed to us. We did not always start from 0 or 1!
- Cut open a pumpkin to see what was inside! We also learned the parts of a pumpkin: the skin, pulp, seeds, and stem!

Exploring the Inside of a Pumpkin!

This Week in Photos!

Wayside Farm Fun!

Reminders...

Dr. Lyman's Haunted House is on Friday evening, 10/28. It is for grades 4-8 only!

Our Halloween parade/party is next Friday, 10/28!

Michael Thompson will be speaking at Hill on 11/8!

We Went on a Pumpkin Letter Hunt in the Field!
