Jamestown Field Trip FAQ's

- When should we be at school?** We want to leave by 8:30 in order to arrive around 11:30. Everyone should eat a hearty breakfast before 8!
- What food should I pack?** A large, healthy lunch with lots to drink! Please bring a water bottle that may be refilled during the day. Chaperones should also pack a lunch and beverages.
- What food will be provided?** We will provide morning and afternoon snacks, as well as dinner from Subway. We will not provide beverages.
- What may I bring along?** Fun activities for the bus such as paper and markers, mad-libs, books. Personal entertainment devices (not computers, TV's, or DVD players) are allowed, as long as parents agree, and games and music are appropriately rated (E for everyone!). Don't bring anything that is too valuable for a bus ride!
- May I bring a cell phone?** The school policy is that children should not use cell phones. If for any reason, your child needs to contact you, there will be many adults who do have cell phones.
- What should I wear?** Your best walking shoes! Please check the Jamestown forecast before you leave home! It is often windy by the river. Everyone must bring a warm layer to put on if the weather is chillier than expected.
- Do I need to bring money?** No! We will not be visiting the gift shop or vending machines.
- May I bring a camera?** If you wish, and your parents agree.
- What time will we get back to school?** Between 8 and 8:30. We will contact the school during the return trip. Please call the school to confirm our arrival time.
