

JK Nuggets

December 1, 2016

This week in JK we...

- Picked candy canes from a tree in our dramatic play area. Each candy cane had a letter we have studied. When we picked a candy cane, we had to say the name of the letter, and a word that begins with that letter.
- Made books titled, My Christmas Tree Shape Book in math. We used circles, squares, rectangles, triangles, pentagons, and hexagons to make Christmas trees on each page.
- Made Candy Cane Play Dough! We loved the smell, color, and festive look of the dough!
- Shopped for books at the Book Fair. Thanks to everyone for coming and fostering your child's love of reading!
- Created gingerbread man glyphs. Each gingerbread man's decorations tell you about each student!
- Became elves in Dramatic Play!

Sorting Christmas Cookies on the Smart Board Based on Shape!

This Week in Photos!

Candy Cane Picking!

Book Fair with Mentors!

Reminders...Next week our new Letter-of-the-Week is I. Please have your child bring in an object beginning with I on Monday!

Our Field Trip to Buttonwood Farm is on Tuesday, 12/6. We will leave school at 9:15 to get there at 9:30

Dismissal is at noon on Friday, 12/9. There is no Extended Day.
