## Special Events

Please make sure to take note of the special events on the horizon:

- **3rd Grade Strings Concert** next Wed.

Feb. 1, at 11 AM in

the theater. The

children will share

what they've been

learning this year. It is always

amazing to see how much they have

mastered in such a short time!

- **All-School Talent Show** on Fri. Feb. 24

from 1:30-3 PM. If

your child wishes to

perform, we have a

form to fill out. The

form is due on Thurs.

Feb. 16. Performers must attend a

dress rehearsal on Wed. Feb. 22

from 4 to 5.

## Family History

Please make sure that your child is up-to-date with Family History Assignments. We have made a time-line in the hall about our immigrant ancestors, and have placed flags on the map to show the countries of origin.

The children are beginning to work on their biography projects. Some of you have sent us photographs of your family member, but many of the children do not have any to put in their PowerPoints slide shows. They have 9 slides to fill!

## Germs!!!

Germs seemed to be flying through the classroom lately!

Many members of the class have been absent over the past week!

After 10 or 11 students at school per day since last Friday, today we reached a high of 13 (out of 16)! We are grateful when you give your child a chance to stay home and recover from fevers, coughs, sniffles, and upset stomachs. We hope to see everyone again soon!

## Making Binoculars

During Culture Study, in March, each child will be making a pair of binoculars (no actual lenses included) out of toilet paper tubes. Please

save some and send them in for us to use.
