Assembly Preview of Wax Museum

Tomorrow morning at 8:40 we will be sharing a preview of our Colonial Wax Museum with the younger children. The children will have mini-versions of their museum stations set up in the theater and be dressed in costume.

Each of the 3rd graders will present a couple of facts, a story, or a speech. You are invited to the preview, especially if you will be unable to attend the real Wax Museum on Tuesday afternoon from 2 to 3 PM.

Transportation to the Fannons

Please let us know who will be taking your child to the end of the year party at the Fannons next Thursday. We will dismiss at noon. We cannot put a child in another family's car without communicating directly with the child's parent. If someone else will be picking your child up from the party, please let us know!

Many thanks to the Fannons for hosting!

Bags for Packing Up!

Beginning on Monday, we will be sending home some of your child's work. Please send an empty tote bag each day so that they can carry home some of this precious cargo. We know that many families keep a box of treasures for each child, containing examples of the child's schoolwork over the years.

We hope not to have anything left to send on Thursday!
