Fri. Nov. 6, 1-3: Data Analysis

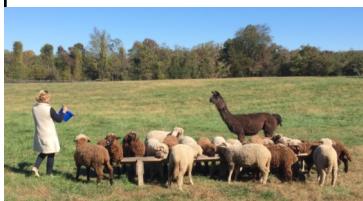

Wed. Nov. 25: Thanksgiving Assembly

## Excerpts from Thank You Notes

Dear Mrs. Kansteiner,  
Thank you for inviting us to your farm. I don't

know what to say. I liked everything! I loved to see all of the animals and especially you. I liked learning about the blacksmith. Please tell Mr. Wolf thank you. I loved your llama and your sheep. Thank you for the wool. The spinning wheel was cool!

I didn't know sheep had no teeth on the top. I did not know that an eagle could eat a sheep. I did not know that it would be better for an eagle to go for the legs on a sheep than the neck. I didn't know that sheep could line up better than us!

I hope you like my drawing and I hope you like this note! I loved how you took care of your animals. The dogs were awesome, just like you! I thought Angas was cute.

Sincerely, The Third Grade

## Halloween Party

Hill School will celebrate Halloween next Friday with the traditional hotdog lunch followed by the parade of costumes at the amphitheater at 12:40.

Please send your child with costume and make-up in a bag. No one will dress until after lunch. You are invited to help!

**The PTC provides lunch.** Your child is welcome to bring other healthy food to supplement this meal.

When everyone is dressed, we will gather in the classroom around noon so that each child can present his or her costume, explaining who they are and how they chose this costume.

This is a great photo opportunity!

Please help your child remember that there will be very young children at school. We want everyone to enjoy Halloween, without anyone being terrified or hurt!

This year, the 3rd grade will celebrate the holiday with our own party after the parade. We will set up in the courtyard outside the art room. Our 7th grade mentors will help with the party. Our 8th grade mentors organize the party for the 4th, 5th, and 6th grades.

A committee of parents is organizing this party. Chip White, Kari Bartruff, Jim Whitner, and Ned and Kristin Quinn are organizing activities. They would love your help at the party!

## Cross Country Race

We will take the class out to watch the early races of the Cross Country Race, so that they can see what they will be doing next year as 4th graders. If you wish to watch with your child, please let us know, and watch for us along the finish line fence.
