

# Third Grade News

October 27, 2016

Number Six

## Upcoming Events:

Fri. Oct. 28: **Halloween at Hill!**

Tues. Nov. 1, 1:45-4: **Cross Country**

**Race at Hill:** We will be going to watch the earlier races with the class, and return to the classroom before 3.

Tues. Nov. 8, 7 PM: **Michael Thompson** will speak about the social lives of children: **Best Friends, Worst Enemies**

## Collecting 1000

As part of our math curriculum, we choose something to collect. We have to gather 1,000 of whatever we choose. This year, we decided

to make 500 pairs of Halloween pictures to give to the Kindergarten and Junior Kindergarten.

Each day, we set aside some time to draw some pictures on small cards. We decided that if each member of the class made 60 cards we would have enough to give a set to each younger child.

In the morning, we will deliver packs of cards to our JK and Kindergarten buddies. We try to share many activities with younger grades. This provides our students with leadership opportunities and a chance to build our school community.

## Halloween Party

Tomorrow afternoon, Hill School will celebrate Halloween. The parade of costumes will take place

at the amphitheater at 12:40.

Please send your child with costume and make-up in a bag. No one will dress until after lunch. You are invited to help!

**The PTC provides lunch.** Your child is welcome to bring other healthy food to supplement this meal.

When everyone is dressed, we will gather in the classroom around 12:15 so that each child can present his or her costume, explaining who they are and how they chose this costume. This is a great photo opportunity!

Our class will celebrate with a party in the art courtyard. If you have volunteered to help, please come to the art courtyard after the costume parade at the amphitheater to supervise the activities which 7th graders will be leading.

Dismissal will be at 2 PM!

## Haunted House Alert

During the Halloween party, the 8th grade offers a party for grades 4-8 in the gym and on the recess field. Their Haunted House is aimed at this age group.

**No younger children may visit the haunted house without a parent to accompany them!**
