Birch: Espionage

Brooks: Christian Benteke

Charlie: David Beckham

Ella: Bubbles

Emerson: Abraham Lincoln

Emily: Solar System

Ethan: Trains

Finley: World War I

Flora: Coco Chanel

Isabel: London

Joey: The United Kingdom

Lilah: Renaissance

Lucas: The Cold War

Maclain: Maxwell Equations

Mason: Berlin Wall

Maya: The Maya

Owen G.: Spy Gadgets

Owen M.: Tyrannosaurus Rex

Patty: The Redskins

Reese: Earth

Sebi: Wales

Walker: World War II

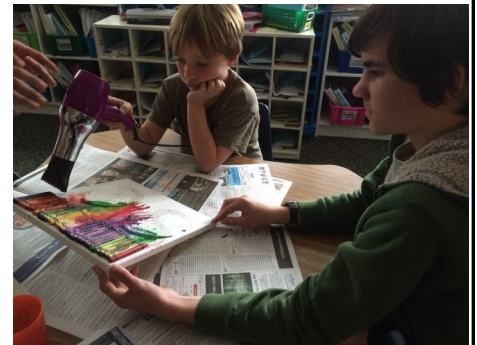

Wagner: The Trojan War

Melted Crayon Art

Last week during Mentoring, the pairs taped names or initials onto canvas and then hot-glued crayons across the top.

This week, they used blow-dryers to heat the crayon wax until it dripped over the tape.

When we re-

moved the tape, the names appeared in white contrast to the vibrant crayon colors.
