

# JK Nuggets

November 20, 2015

## This week in JK we...

- Dictated real-life stories to our mentors! The mentors helped us by telling us to use our five senses to add details to the story: What did we hear, taste, smell, feel, and see?
- Made turkeys out of paper plates and feathers! We will use these as our costumes when we sing "I'm a Little Turkey" during our lower school assembly next Wednesday.
- Saw a preview of the 8<sup>th</sup> grade play, *The Sound of Music*. There will be shows on Friday and Saturday night, along with a Sunday matinee. This play is always a must-see at Hill, so come check it out if you can!

Emergency! EMT Spytek to the Rescue!
