

First Grade Buzz

January 12, 2017

Conversation Starters

What are you writing in Writing Workshop? Do you need me to email pictures to your teachers?

What animal did you select to research in science?

What was your survey question that you asked the class? How did you record your data?

A SPECIAL NOTE TO PARENTS

Tomorrow Piper McMurray will be joining the class. Piper and her family have just moved to the area from California. Please include them in any emails/parties.

Jill McMurray – 310-600-2883
and jillmcmurray@gmail.com

Hezekiah McMurray (everyone calls him Hez) – 310-770-4114 and hez.mcmurray@gmail.com

Another Special Notice Each Ski Friday half day, if you would like to avoid the main traffic circle line and pick up your child a couple minutes early for skiing, you may come to the **traffic circle closest to the first grade**. We will watch for parents **for a few minutes** while we are packing up, before taking all children to the main circle. **If your child has older siblings it would be best to use the main traffic circle.**

Star Student

Luke has two Perro de Presa Canario dogs, a cat and lots of guinea fowl and chickens. Some of his chickens are Easter Eggers. They lay blue eggs!

Upcoming Star Students

Thomas---Jan. 17

Chloe---Jan. 23

Elizabeth M. ---Jan. 30

Brooks---Feb. 6

Shea---Feb. 13

Elizabeth W.---Feb. 20
