Great Conversation Starters

What do you remember about Abraham Lincoln? What did he say to the kids playing with a turtle? What were other times he said "No" ?

Tell me what you know about the clock and telling time.

Describe things that you can cut in half. How did you design your pizzas?

Show me the 100th day project you did in the classroom. How did you group the dots/stickers/snowflakes? (Note: The teachers did not recount and check every one of these. We would be cross-eyed by the time we finished.....)

What do you do if you find something on the playground at Hill? What if it is a shoe? A dollar? A ring? What about "finders-keepers"? Why don't we do that? What did Ruthie do when she found the camera? (A character in the story Ruthie and the (Not So) Teeny Tiny Lie by Laura Rankin)
