

SECOND GRADE NEWS

Flat Mes and Assorted Information

FLAT ME

On Tuesday the students will be painting life sized Flat Mes with their mentors. The excitement started today when we discussed the project and began reading *Flat Stanley*, a story about a boy who becomes flat as a pancake when a bulletin board falls on him in the night.

Please read the information pages included with this newsletter and return the name and address of the flat me recipient no later than Tuesday, January 20.

Questions to ask your child this week:

How is your "Me" poem coming along?

What did you do in mentoring this week? Which birds did you choose? Describe them to me!

What would you like to wear for your Flat Me painting on Tuesday? Why? Are there any clothing rules I should be aware of? (washable clothing and items without tiny patterns)

What is happening in The BFG? Is Sophie brave? Would you be as brave as Sophie, or braver?

Would you like to be flat like Flat Stanley? Why?

SECOND GRADE INFORMATION

- Thank you to the Werner family for donating black sunflower seeds to feed the birds!
- There is no school next Friday, January 23rd—it is a faculty development day and a full ski Friday! Enjoy the day!
- Looking for Invention Wednesday supplies—wrapping paper rolls, paper towel rolls, ribbon spools, thread spools, corks, plastic juice tops, plastic containers, pieces of ribbon, extra wrapping paper, and any other interesting items. Please be sure items are clean and odor free, and deliver to the classroom on Tuesday or Wednesday!
- Please be sure your child is dressed warmly—we go outside daily unless it is heavily raining or snowing (we did go outside yesterday in the snow!)
- Is your child returning his/her math homework? Please check backpacks daily for the purple math and word study homework folder. Your child has two days to complete his/her math homework. Word study words and assignments usually come home on Tuesdays, but may come home on other days as well.
- Please be sure to attend the second grade parent meeting next Thursday, Jan. 22 at 8:30 AM; important information will be shared!
