Flat Mes and Pictures

FLAT ME

On Tuesday, working with our mentors, the 2nd graders created life sized Flat Mes. It was a blast tracing and painting and figuring out how to stay amused while waiting for the paint to dry between layers! We had many parent volunteers that came to help us set up, mix paints, clean up, and then cut and fold all 25 students! Many, many thanks to: Kari, Whitney, Jennifer, Carmen, Melissa, Nicole, Audra, Lisa, Wendy, and Haley Walsh (who walked by and stopped in to help cut, sweep, and fold); we could not have completed

this project without the help of our parent volunteers!

Questions to Ask Your Second Grader:

Who is your favorite poet? (Don't be surprised if your child names himself/herself or a classmate—we are amazing poets!)

What happened to Flat Stanley when he was showing off and pretending to be a kite?
