

SECOND GRADE NEWS

Halloween, Pictures, and Charlotte's Web

October 27, 2016

Questions for your
2nd grader this
week:

If we had a "doubling pot," what would happen if we put 27 cookies into the doubling pot? Show me how you figured it out!

What have you been glazing in art?

What Thanksgiving songs have you been singing with Mrs. Chase?

What special treats/rewards did your class earn? Congrats!

Halloween at Hill

Tomorrow we will have our *All School Halloween Parade (12:40)* after the PTC sponsored Halloweenie hot dog/black-bean burger lunch. (If your child does not eat hot dogs or tells you he/she did not order a hot dog lunch, please send in a lunch for your child) We will give the students time to change into their costumes at 12:15, so please **DO NOT** send your child to school in his/her costume. If your child's costume requires make-up or any other complex ordeal, please plan to come and help your child.

If your child must go to the 4-8 Haunted House tomorrow, a parent **MUST** accompany him/her.

Dismissal is at 2:00 tomorrow following our class party in the theater courtyard. There is **NO LATE GATES!**

Vertebrate Zoo

The second graders have created a vertebrate zoo! Come to the science room before or after school with your child and have him/her share facts and information about what we have learned!

Charlotte's Web

Charlotte's Web is really getting exciting! Thinking questions for your child: Have you met Charlotte yet? Summarize the story so far. What do you think will happen next? Why did E.B. White write this book? Wilbur doesn't seem too happy on the farm. Why? If Wilbur were a child in your class, what would you do to help Wilbur feel happier?
