

SECOND GRADE NEWS

Athletic Shoes, Challenges, Books, and Merriment!

Important Notes

- ⇒ Take advantage of the after-Christmas sales! We have sent home the **children's sport shoes**—please check for proper fit—if they are too small, please replace them, if they still fit—YEA! Return all athletic shoes to school on Monday, January 4! It is vital to your child's physical development and well-being that they have proper footwear for athletics.
- ⇒ We have sent home a **reading and math challenge!** The entire class is challenged to read for 30 minutes each day and do math for 15-30 minutes daily! Fill in the chart, sign each day, and return it to school on January 4! Math games and cards are included! Enjoy!
- ⇒ Many students asked and brought home **books from the classroom** to read over vacation! Please remind your child to return them in January!
- ⇒ Tomorrow is the **Holiday Program**; please join us in the gym at 10:30! We ask that you pick your child up from the classroom after the show!

December 17, 2015

Questions for this Week:

Was your math assessment difficult today?
What did it entail?

Where will you be standing for the holiday show tomorrow?

Let's be sure to complete the holiday challenge!

Dates to Remember

Holiday Program 12/18
10:30 in Athletic Center
See Take Note

School re-opens 1/4/16

Merry Christmas and Happy New Year!
