

SECOND GRADE NEWS

Thank You and Holiday Windows

MANY THANKS

**Many thanks to Todd for transporting all of the supplies to and from Safeway yesterday—a big job well handled! Thank you also to Nan, Jill, Frank, Todd, and Kate for helping with the painting process, and cleaning up after we painted Safeway's windows. Nan, Todd, and Frank did a beautiful job painting second grade's greeting in the windows! It was a joyous activity! Stop by Safeway and see your child's holiday art work and REJOICE! The children's creativity will bring happiness throughout Middleburg!

**Thanks to all that sent in fruit for the Thanksgiving lower school snack and to the Blunts for organizing and transporting the fruit cups! It was a wonderful morning full of a great sense of family and community!

Questions to ask your child this week:

How did you decide what to paint on your window at Safeway?

Let's study your word study words!

What does symmetrical mean? What is a line of symmetry? Show me something that is symmetrical!
