JANUARY 4, 2018

SKI CLUB - Tomorrow, January 5th, Dismissal at 11:00 a.m.

Tomorrow, January 5th will be the first meeting of the Ski Club at Bryce. To give students a bit more time to get organized at Bryce (get their rental equipment, find their ski school class, etc.), school will dismiss earlier than other "Ski Fridays." Dismissal tomorrow for all students will be at 11:00. Subsequent Ski Friday dismissals will be at 11:50.

Ski Club members need to check in (stating Ski/Snowboard Class number and name) with our Ski Club Coordinators Carol Caballero and Monique Lynch to receive a lift ticket. Please attach tickets to hooks on jackets immediately; note that a lost ticket cannot be replaced. Half of the Ski and Snow Board classes will begin at 2:00, the others will begin at 3:15. See attached sheet (paper Take Note only) for classes and their beginning times.

Please note: All students who participated in the program previously have been assigned to ski classes by their instructors based on their mastery of technical skills last year. New participants were assigned to classes based on their experience. The ski school director will make all adjustments necessary after the first meeting.

Pick up times for bus riders: Upperville Trinity Church: 6:30 p.m. / Hill School: 6:45 p.m.

See page 2 for Directions to Bryce

Future Ski Club meetings

Friday, January 12

Friday, January 19

Friday, January 26

Friday, February 2

Friday, February 9

Friday, February 16 Mini Olympics (all day)

If you love MYTHOLOGY, sign up to take the National Mythology Exam on Wednesday, February 28th

This year's theme is Ancient Beginnings

The test is open to students in grades 3-8
(Grades 3-4 take ONLY one section, on basic Greek & Roman myth)

Sign up with Mrs. Lovelette by Friday, January 5th

Green -White Spirit Day Wednesday, January 10

4-8th graders should wear their team color to school and will be competing in spirit dress as well as in class cheer, door decorating, and academic challenges.

JK-3 students are encouraged to wear green and white to show their school spirit.

Let the games begin! Who will win - Green or White?

Many thanks to everyone who donated to the Holiday Drive benefiting Windy Hill in Middleburg. All the items donated were very appreciated. Thank you to everyone in the Hill School community who responded with such generosity and spirit of the season.

AVAILABLE FOR PURCHASE: SALMON Wild caught, sushi-grade Alaskan salmon and other sustainably harvested seafood will deliver to Middleburg on Thursday, January 18th. Contact Carmen at carmen.igoe@gmail.com for more information. Orders are due Thursday, January 11th.

Attention Hill Families!

Are you interested in growing your own produce in a community garden with the help and advice of a master gardener? Grow with us in the Gunnell Garden! Each year local Hill School families are invited to enter their names in the Gunnell Community Garden lottery. If your name is drawn you will pay a small maintenance fee of \$25 to use a raised bed in the Gunnell Community Garden for one growing season. Please bear in mind gardening requires commitment and regular maintenance! If interested email or call Martha Burke by January 26th, 2018 to be entered in the garden drawing. 540-592-3001, or mburke@thehillschool.org

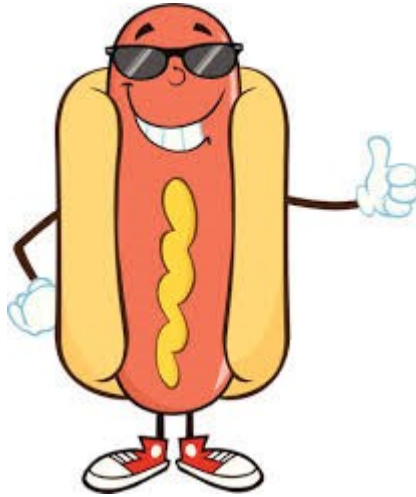

Directions to Bryce: (about 1 hour 30 minutes)

- Middleburg to Interstate 81 S.
- From Interstate 81 S. take Exit 273 (Mt. Jackson, Basye).
- Make a right at stop sign at the end of the exit ramp. (Rt. 703 W)
- Continue until next stop sign – take a left. (Rt. 614)
- Stay on this road until you come to a stop sign – make a right. (Rt. 263 W)
- Follow this road until you turn right into Bryce Resort.

* Please do not rely on GPS, it will take you over secondary and service roads. These directions are more efficient.

After School Enrichment

MOBILE CLASSES

Kids Computer Classes

As a part of The Hill School's Enrichment Program

Minecraft Modding

In this class, students will learn how to create their own custom game-play items and elements using MCreator and Minecraft. Students will learn how to create artwork for various items, and implement them into the game with custom behaviors while learning about texturing, logic flow, asset organization, and custom event triggers. Design their own custom blocks, items, food, biomes and more! Introduce your kids to modding Minecraft today!

Grades 1 - 2

Topics Learned

- Texture Design
- Custom Events
- Game Modification

Skills Gained

- Problem-solving
- Design Skills
- Keyboard confidence
