

Third Grade News

March 1, 2018

Upcoming Events:

- Fri. Mar. 2: 4th grade play
1:30-3 PM: painting for culture study
- Wed. Mar. 7-9: New Zealand Culture Study
- Fri. Mar. 9: Noon Dismissal for Spring Break
- Mon. Mar. 26: School Reopens

Culture Study

Next Wednesday morning is our annual EcoMystery, in which multi-age groups travel through the school, working together to solve a problem that relates to the country we are studying. Please look in Take Note to find out which New Zealand animal your child's group will represent.

Children may dress up to look like their animals, choosing colorful clothing, donning ears and/or wings or tails, even adding face paint!

Any 3rd grader who comes dressed in costume will not need to do homework on Tuesday, March 6th.

Paint Alert!

Tomorrow afternoon, Friday, March 2, we will be painting with acrylic paints!

Please send your child in clothes that may get stained, or one of dad's old t-shirts to use as a smock.

Spring Break Reading Log

Please save the Log that is attached! The children should read daily over Spring Break to maintain their progress! Our goal is for the 17 of them to read a total of 1 Million words!

To reach this goal, all students must participate! If you are in town, the library will be open during the week to take AR quizzes. Children may also take quizzes when we return to school.
