

# JK Nuggets

April 27, 2017

## This week in JK we...

- Created "Who Am I?" guessing games with our mentors! The JK children thought of 4 clues about themselves. The mentors wrote the clues on the front of a folded piece of paper. On the inside was the answer to the clues: a picture of themselves!
- Created "Put Together" stories in math, to help us with early addition skills.
- Discussed types of clouds: *cumulus* (big and puffy), *cirrus*, (thin and wispy) and *stratus* (low and gray). We then went on a cloud hunt outside!

## This Week in Photos!

Celebrating Olivia's Birthday!

"Who Am I?" Game with Mentors

## Reminders

Next week's Letter-of-the-Week is W. Please have your child bring in an object that begins with W on Monday.
