

Kindergarten Connection

October 12, 2017

It was nice to see so many of you last Thursday night at Back to School night. Cate and I enjoyed sharing pictures and stories of your children. We hope you had a nice evening as well.

In reading this week, we began to look at and learn some color words, like red and green. These colors, as well as the words like, look and yum have been added to our "word wall". Next week, we plan on expanding our knowledge of more color words. During reading, we also talked about how the illustrations in a book often tell the story and that "looking" at books is one of the first steps to reading.

In math, we continued to work with and learn how to use key characteristics to sort objects. We even began to sort each other using rules like those with shorts, shoes that tie, long hair... The kindergarteners have had a great time guessing each other's sorting rule.

Upcoming Events:

- Tuesday, October 17th is our trip to the pumpkin patch.
- Thursday, October 19th Parent Teacher Conference Day - No School
- Friday, October 20th is our Fall Holiday - No School

There won't be a newsletter next week as we look forward to our conferences with each of you.
