Conversation Starters

What does Math in the Middle mean? Are you doing that?

What crazy letter sound patterns did you find with the letter Cc? What does ca-, co-, cu- say? (cat, volcano, corn, cookie, biscuit, cup)

What does ci-, ce-, cy- say? (science, city, once, rice, recess, fancy, recycle)

What did you learn about honey bees this week?

What are some of the differences between fiction (stories) and non-fiction (informational) books?

How do you think the Spanish assembly went? What was your favorite part?

Star Student

Mrs. Baltz, the Queen Bee, came to talk with us about her hives. She brought her tools and shared them with us.

Tomorrow

Please send a
pillow and/or a blanket to sit on.

To keep with our yearlong theme we are going to watch the movie

Wings of Life by Disney Nature, a gorgeous film about pollinators.

To make it extra-special, we are going to the theatre,
getting comfy, and having popcorn.
