

Kindergarten Classroom Connection

January 18, 2018

Tomorrow, Friday, January 19th, 2015 is another ski Friday. Dismissal is at 11:50. You are welcome to pick your child up in the classroom anytime after 11:30 if you would like to get a head start on your afternoon.

In Reading workshop, we are continuing to work on using our letter sounds to sound out small words. We have also continued to add to our sight words as well as learning the "ag" word family.

This week in math, we have been playing a card game where we have to put numbers in order from smallest to largest. We have also been playing memory games and thinking of strategies to help us remember details. Finally, we have been counting the letters in our names and comparing them with our friends' names (i.e. who's names are longest vs. shortest).

Stop by the classroom sometime and see our "dreams" inspired by Dr. Martin Luther King, Jr.. As a class, we talked about MLK inspiring fairness and equality, something all 6 year olds can relate to :) Cate and I loved seeing/hearing how truly nonjudgmental and loving they are.

Thank you to everyone who signed up for a conference times in January and February. If you have been unable to sign up because of access to Google docs please let Cate or me know, and we will help you by typing your name into an available time slot of your choice.

Reminders:

Tomorrow, Friday, January 19th, is another "Hot Chocolate Friday". Last Friday was a yummy start to our fundraiser for the Blue Ridge Wildlife Center. We have already made \$25.00 to donate ;)

Thank you also those of you who have donated items for the BRWC. We already have two boxes with a variety of items, from the BRWC's wish list, to present to them when they visit on January 26th.
