## Spread the Love

For Valentine's Day and Hundred's Day we are asking the students to "spread the love" by bringing in at least four cans/boxes/food items (if you are able) for the Trinity Church Food Closet which services many families in our community. We'd like to reach 100 items! Our goal is for the students to think outside of themselves—valentines and food for others.

Thank you to those that have already added to our food collection!

A list of items we could provide:

Canned Fruits & Veggies  
Canned Stews, Chili, Chunky Soups  
Small Mustard, Ketchup, Mayo  
Spaghetti Sauce  
Pasta  
Canned Tuna, Chicken, Spam & Meat  
Vegetable Oil  
1 lb. sacks of Flour & Sugar  
Toilet paper  
Baking/Pancake Mixes  
Jelly & Syrup  
Lunch box sized snacks  
Corn Muffin Mix  
Peanut Butter  
Condensed/Evaporated Milk  
Cereal-small boxes  
Tea bags  
Any other non perishable items

Questions to ask your second grader:

If there are six rooms on the first floor, how many total rooms will be on the sixth floor? Tenth floor? Twelfth floor?

How are you doing in "Around the World?"

Gymnastics is so much fun! Are you enjoying it? Show me some moves!

How did you share suspense in your monster book?

On which book did you write a review? Tell me about it!

## Valentine's Day

Second grade will be celebrating Valentine's Day on Wednesday, Feb. 14th. If your child brings in valentines, he/she **must** bring in one for every student in the class (24 not counting your own child). PLEASE DO NOT WRITE NAMES ON THE FRONT OF THE CARDS; this makes handing out cards an easier process.

## Writing About MMM...Monsters

Many second graders are writing scary monster books, some are writing about sweet and cuddly monsters but we are all enjoying the thrill of a great monster book! Among other things students are required to use descriptive words, precise verbs, ellipses, captivating story starters, and terrific titles. They are working hard and we are enjoying their sense of suspense and creativity!
