Ski Club Reminders:

- 2:00 classes have to start on time. We recommend picnic lunches on the car ride to save time and allow for enough time to get the rental equipment.
- Please be courteous and mindful of other Bryce guests, and make sure that clothes and shoes are safely and compactly stowed out of the way of public walkways.

2019-2020 Financial Aid Process is Open

- The financial aid online application process (FAST) is now open. - **the deadline for applying for financial aid is February 28th.**
- The FAST application icon is located on the home page of Hill's website under Helpful Links.
- If you have any questions about financial aid, please contact Sarah Kuehn or Will Heron.

HEALTH NOTICE

The winter months always bring many illnesses to the student body, and all kinds of colds and viruses take advantage of the close contact we all have during the many hours we spend indoors. I would like to alert you that several cases of the Influenza Type A have been diagnosed among our students, and that there have also been a few confirmed cases of Strep. Not by any means an epidemic, but please be vigilant. I would like to remind parents that sick children should stay home, and that they need to be fever-free and without any symptoms of illness for at least 24 hours before returning to school. Please consult your doctor with any concerns.
