AVAILABLE: Need a ride to the airport or doctor's appointment? Please call or text Sally Godfrey at 703-727-1915.

Attention Hill Families!

Are you interested in growing your own produce in a fenced garden along with other local gardeners? Grow with us in the Gunnell Garden! Each year local Hill families are invited to enter their names in the Gunnell Garden lottery. If your name is drawn you will pay a small maintenance fee of \$25 to use a raised bed in the garden for one growing season. If interested please keep in mind that gardening requires commitment which includes regular watering and maintenance! Email or call Martha Burke by February 25, 2019 to be entered in the Gunnell Garden drawing. I will notify gardeners by March 1, 2019 of the results!! 540-592-3001, or mburke@thehillsschool.org

Narrated by award-winning journalist Tom Brokaw, this film premiered at the 2017 Sundance Film Festival and debuted on the Discovery Channel in August 2017.

The Goose Creek Association and the Land Trust of Virginia bring you: *Rancher, Farmer, Fisherman*, the acclaimed film based on the book by Miriam Horn of the Environmental Defense Fund. Three rugged individualists explore how to preserve their way of life by stewarding the land and water on which we all depend. These conservation heroes learn to use the tools and methods created by law, academics, environmental groups, and their fellow outdoorsmen to forge alliances and continue to feed the world while enhancing the environment.

Rancher Dusty Crary builds a conservation easement alliance to protect the Rocky Mountain Front that his ranch depends on; farmer Justin Knopf rebuilds the fertility, biodiversity and resilience of his soil in the Kansas heartland, and fisherman Wayne Werner lobbies to establish reasonable fishing quotas that restock the Gulf.
