### Camp Highlight

Bows and Beats Camp  
July 19 to July 23, 2021

### Come Feel the Noise!

Join Hill's own Karen Chase to have some summer music fun! This camp will use drums, xylophones, sticks and other small percussion instruments to produce music found in the Orff Schulwerk collection, popular music choices and original pieces of music composed by the students. This camp will also have a strings component with Cynthia Saucedo so campers can explore how strings and percussion can make great music together! A recording of the selections will be made so that family and friends can see what was studied over the week.
