## Support Local!

In these changing times of retail and dining, the Town of Middleburg wants to support its local businesses as much as possible. We know that many businesses are providing alternate means to purchase and procure goods, such as no-contact delivery, curbside delivery, or custom shopping/home delivery. [Click Here](#) for the link to the list of businesses.

Also, the Town is partnering with many of our restaurants to stay open and serve customers by take-out or delivery during these challenging times. Below is a listing of all restaurants currently open and how to order. Click [MIDDLEBURG TAKE-OUT](#) for a current list.
