Q&A with Joey Foosaner

Headmaster for the Day

➤ How long have you been at Hill School?

I have been at the Hill School since Kindergarten, I am now about to graduate from 8th grade.

➤ What is your favorite memory from Hill?

Going on the New York field trip with Mr. Daum's class. I loved visiting New York for the first time in my life!

➤ What advice would you give to younger students?

Make the best out of any situation you might find yourself in, keep calm and push forward. Believe in yourself.

➤ What advice would you give to Mr. Lord since you've served as Headmaster for the Day?

I would advise Mr. Lord to implement more special events and themed days during school. I always was excited to come to school and share those different days with my classmates and the other students in different grades.

➤ Where are you heading for high school and what important lesson that you learned at Hill will you take with you?

I will be going to Highland. I have learned at Hill that I need to stay positive and keep pushing through no matter how hard it gets!

Sports & Adventure Camp

August 2 to August 6, 2021

or

August 9 to August 13, 2021

This summer, campers are going to be able to participate in a water activity every day. On campus activities may include a water slide and mountain biking. Along with learning technical mountain biking skills, you'll be traveling through the woods and exposed to various obstacles and elements. Campers will also have the chance to try a stand up paddleboard. When campers want a break from the heat, the climbing wall will be open all week for climbing and bouldering.
