Friday, October 12th
8:30 am in the Alumni Room

Arboretum Day will be a day-long celebration including outdoor activities for the children and a formal dedication ceremony of the Polly Rowley Arboretum.

In the morning, all students will participate in special activities in multi-age groups. Please pack a picnic lunch for your child; the lunchroom will not be available that day.

The dedication will be held from 1:00 to 1:30 on the cross-campus road near the Art Room. Parents are welcome to attend the ceremony.

Gates Closure on the cross-campus road: The gate near The Plains Road and the gate at the top of the hill near the main traffic circle will be closed from 9:30 am until 2:45 pm.

25 years ago, Polly Rowley started preparing our newly donated campus for tree plantings that would bring beauty and educational opportunities to Hill School. Last year, the Smithsonian Institution recognized the Hill School Arboretum. Please join us Friday, October 5, to celebrate and recognize Mrs. Rowley’s vision, hard work, and dedication.

Thank you to all who came out to help and have fun at the Country Fair. It was a great day that couldn’t have happened without Bob Dornin and his team for giving us an area to play and perform, Emily Tyler for her organization and food, Hunt Lyman and his team of musicians, Susan McCaskey for her spin art expertise, our baking contest judges, the parents who set up and stayed late to clean up, Mr. Hart and the 4th graders for their help in setting up, and Maya Weck and her cousin Zoe for face painting.

Lots of delicious entries this year and tough competition but the winners are:

Most Delicious: Kendall Leitch chocolate chip cookies
Most Creative: Jessica Smith rainbow cupcakes

**SEEKING:** My 16 year old daughter (current student at Foxcroft) is looking for STEM (Science Technology Engineering and Math) internship opportunities to fulfill her STEM Concentration requirements at Foxcroft - and because she wants the experience and exposure. She is most interested in computer science/cyber security but working in an organization in the security industry would be great too. Government subcontractor? So many angles really. Might anyone be familiar with any organizations who offer high school student programs? Or might anyone have a business that could use a dedicated, driven and enthusiastic intern? We live in Middleburg. She could work over breaks and summer. Please email me at middleburgbunny@gmail.com.

**HIRING:** Looking for a part time job? If so, and you have equine experience, please call Middleburg Tack Exchange 540-687-6608.

Please join fellow Hill community members in their support of The Cherry Blossom Breast Cancer Foundation! This event began on the Hill campus, in honor of Nanette White, a Hill School parent, grandparent, and Board of Trustees member (1977-1980). Her grandson, Wagner White, is a current Hill student.

If you are interested in being a part of a team, rather than participating independently, please contact, Lauren Vogan at laurenvogan@aol.com, or see Payton Vogan, 8th grade, as soon as possible. We would love to have a Hill School team to show our support!
