29 days to go! Thank you to the 29% of parents that have already participated!

Go to <http://www.thehillschool.org/support/> to donate

### Many thanks to all who helped with last week's Halloween Parties:

To the PTC for organizing and supervising the "halloweenie" lunch, and to the **wonderful volunteers** who worked in the kitchen preparing plates of hot dogs and black bean burgers.

To the volunteers, who helped run parties in JK, Kindergarten, first, second and third grades.

To the eighth graders, who ran the costume parade and organized the party and haunted house.

To the seventh graders, who hosted the first and third grade parties.

And to all the seventh and eighth graders: great job cleaning up after all the fun!

Many thanks to Hill parents for their generous contributions of candy for Halloween festivities in Middleburg! Parent generosity helped teachers provide children with a scary and happy local celebration.

In Wednesday's school assembly Zoe Korff (7<sup>th</sup> Grade) and Tim Hubbard (8<sup>th</sup> grade) spoke about World of Change. World of Change ([www.worldofchange.world](http://www.worldofchange.world)) believes that there is \$10 billion in loose change in households across our country and challenges people to put that change to good use. Zoe and Tim attended a presentation at the start of the school year and decided to launch this program at Hill. Each student, faculty and staff member has been given a coin purse that includes four quarters. Each person has the ability to donate those four quarters to one of six charities that Zoe and Tim, and members of Student Council, chose. The challenge is – over the course of the next two weeks – for each person to take their coin purse home, refill it, and again choose where they would like to donate their money. If you have questions regarding this program please contact Kelly Johnson.
