THE HILL SCHOOL ANNUAL FUND

2021-2022 PARENT ANNUAL GIVING CHALLENGE

We are excited to announce that if at least 90% of parents make a gift or pledge by December 15th, Hill will earn a \$30,000 challenge grant from a generous friend of Hill School.

Please watch your mailbox for more information or go to <http://www.thehillschool.org/giving> to donate.

Thank you for your support!

A Halloween
THANK YOU

Many thanks to Hill families for their generous contributions of candy for Halloween festivities in Middleburg! Your generosity helped teachers provide children with a scary and happy local celebration.

A message from Dr. Goodfriend, Director of Loudoun County Health Department

VACCINE NOW RECOMMENDED FOR AGES 5 - 11

CDC and VDH Approval for Children 5-11.

This week, the Centers for Disease Control and Prevention (CDC) recommended Pfizer COVID-19 vaccination for all children 5 to 11 years of age. This vaccine contains the same active ingredients as the Pfizer vaccine already administered to millions of Americans, but at a lower dose. In addition, the Virginia Department of Health (VDH) has announced that local health districts may begin offering vaccination appointments to parents and guardians of children ages 5 to 11 years old this week.

Schedule an Appointment Early.

On Thursday, November 4, at 9:00 a.m., those interested in having their children vaccinated at the County's Dulles Town Center site can begin scheduling appointments online at: <https://guest.vams.cdc.gov/?jurisdiction=LD>.

The first available appointments for this age group will be between 9:30 a.m. and 4:00 p.m. on November 5. When scheduling your 5 to 11-year-old child, you must select the clinic named: "Ages 5-11 COVID-19 Vaccinations – Loudoun." Please note that appointments made in the 12-and-up clinic will not be honored for the younger age group.

In addition to the initial appointments for 5 to 11-year-olds on Friday, more appointments will become available on Saturday, November 6 between 9:30 a.m. and 4:00 p.m., and during the weeks that follow on the days that the Dulles Town Center site is open for vaccination.

The Health Department also expects that many local pharmacies and medical offices will begin offering COVID-19 vaccine for children ages 5 to 11 years in the coming week. You may check with your pediatrician's office or visit www.vaccines.gov to find other vaccine providers in the community.

Demand Expected to be High.

The Virginia Department of Health encourages parents to get their children vaccinated as soon as possible. Demand for vaccinations of this age group is expected to be high and vaccine supplies may be limited initially. As a result, appointments may be taken quickly. Keep checking the online appointment system as more appointments will be added to the system as vaccine supplies increase throughout November.

Evergreen Christian School is a covenant-model, high-school-only program. We are focused on partnering with Christian families who are ready to have their children engage in serious leadership development—spiritually, morally, and intellectually.

ECS teaches and encourages young people to establish a godly foundation for life, make wise choices, and positively impact culture.

Student organizations, fine arts, and athletics foster learning, complement the school's balanced curriculum, and offer students access to skills built outside their regular classrooms.
