Community Life at Hill

We believe when parents are engaged with the school community, children benefit and thrive.

Fun Hill Facts

Did you know the Hill School Philosophy is displayed in the Handbook that you received at Back to School Night?

“The school's goal is to help children grow strong and happy. In doing so we prize certain abilities: the ability to think, to demonstrate essential academic skills, to be curious and resourceful, to communicate with oneself and with others to trust, to be grateful, to wonder. And we prize certain qualities: honesty, humility, empathy, and compassion.”

If you are interested read further in the green handbook you have at home.

SPRING BREAK SKI TRIP

As a Hill School alum, I am proud to be offering a ski trip to Copper Mountain in CO over spring break in March. This trip has been a tradition at Hill School for over 30 years and is usually offered by the Bowers. They are unable to run the trip this year, but with Syd and Jack's blessing and guidance, I will be offering this trip through Sports & Adventure Camp.

Since 2012, I have been offering Sports & Adventure Camp at Hill School over the summers. It is a licensed and insured company that runs day and overnight trips for middle school-aged children. We are inviting students in the 7th and 8th grade classes to participate in the ski trip this year. The trip costs \$2,300 and is from March 14-18. Please email me by Friday, November 8th to confirm a spot for the trip. There is a 7 participant minimum to run the trip. Please call or email me if you have any questions and think snow!

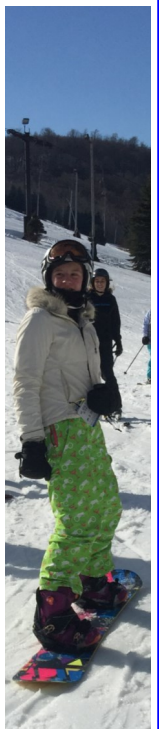

Thanks!
