The Offering Benefits:
The Churches of Upperville Outreach Program
Providing food during this holiday season and throughout the year to those
families who need help in our community!

In last Wednesday's school assembly Zoe Korff (7th Grade) and Tim Hubbard (8th grade) spoke about World of Change. World of Change (www.worldofchange.world) believes that there is \$10 billion in loose change in households across our country and challenges people to put that change to good use. Zoe and Tim attended a presentation at the start of the school year and decided to launch this program at Hill. Each student, faculty and staff member has been given a coin purse that includes four quarters. Each person has the ability to donate those four quarters to one of six charities that Zoe and Tim, and members of Student Council, chose. The challenge is – from now until November 16th – for each person to take their coin purse home, refill it, and again choose where they would like to donate their money. If you have questions regarding this program please contact Kelly Johnson.
