Evergreen Christian School is a covenant-model, high-school-only program. We are focused on partnering with Christian families who are ready to have their children engage in serious leadership development—spiritually, morally, and intellectually.

ECS teaches and encourages young people to establish a godly foundation for life, make wise choices, and positively impact culture.

Student organizations, fine arts, and athletics foster learning, complement the school's balanced curriculum, and offer students access to skills built outside their regular classrooms.
