References are available upon request.

Electronic Devices at School

A. Cell phones

We recommend students not bring cell phones to school. They may use the courtesy phone in the main reception area.

If a student needs to have a cell phone for after-school use, it should be turned off and out of sight (e.g. in a backpack) while at school.

B. I-pods, music players, and other electronic devices.

Please do not bring any personal entertainment devices to school.

Demystifying COVID-19: The Science of SARS-CoV-2 Series

Thursday, September 24, 2020

7:00 PM - 8:00 PM

Event Details

Part 1 | SARS-CoV2 Virology and Immunology: The first talk in this three-part lecture series will cover the biology and molecular virology of the virus to provide insight on how it infects and interacts with its host.

This series is offered in partnership with Janelia Research Campus and will be presented by virologist Angela Rasmussen, an Associate Research Scientist at the Center for Infection at Columbia University Mailman School of Public Health. She is also a member of the World Health Organization's Ad Hoc Expert Group on Preclinical Models of COVID-19 Disease. She holds a PhD in microbiology from Columbia University, and previously worked as a researcher at the University of Washington.
