Arboretum Day will be a day-long celebration including outdoor activities for the children and a formal dedication ceremony of the Polly Rowley Arboretum.

In the morning, all students will participate in special activities in multi-age groups. Please pack a picnic lunch for your child; the lunchroom will not be available that day.

The dedication will be held from 1:00 to 1:30 on the cross-campus road near the Art Room. Parents are welcome to attend the ceremony.

Gates Closure on the cross-campus road: The gate near The Plains Road and the gate at the top of the hill near the main traffic circle will be closed from 9:30 am until 2:45 pm.

25 years ago, Polly Rowley started preparing our newly donated campus for tree plantings that would bring beauty and educational opportunities to Hill School. Last year, the Smithsonian Institution recognized the Hill School Arboretum. Please join us Friday, October 5, to celebrate and recognize Mrs. Rowley's vision, hard work, and dedication.

The Town of Middleburg and VDOT are in the process of repaying all streets in Middleburg. Please check the Town's website for more information of when the roads near Hill School will be paved and when access to our traffic circles and parking lots will be more difficult.
