Back to School Night--Tonight

Back to School Night begins tonight at 7:00 in the theater with an all parent welcome with Treavor Lord. Then we will head to 2nd grade for interactive presentation and conversation about a week in second grade. We will share what we observe and how we deal with the joys and challenges the children experience each day. Crazy, but please bring your phone as you'll need it to play a game! We hope to answer all of your questions as well. While here this evening please be sure to check the conference sheet; if you are unable to keep your scheduled time, please try to switch with another family or speak to a teacher. We look forward to seeing you this evening!

Questions for your 2nd grader this week.

Let's practice tying your shoes!

Can you hit a ball with both sides of a field hockey stick?

What is your "hope" for this school year? Why?

What are your three class rules?

What is your favorite memoir that has been read aloud and why?

Solve this equation using two different strategies: $32-16=$ _____

Tell me about the memoir outline on which you are working.

Thoughts...

- ⇒ Tomorrow is Arboretum Day. We are honoring Polly Rawley who designed and planted the trees in our arboretum with the help from many people in our community. We will be celebrating trees outdoors tomorrow so please dress your child in outdoor attire!
- ⇒ Is your child humming more often at home? Perhaps it is because the class is learning new songs in music! Ask your child (ren) what his/her/their favorites are!
