

SECOND GRADE NEWS

December 13, 2018

Important Notes

- ⇒ **Reading and Math Vacation Contracts:** Hold on to your hats...all second graders that complete the Winter Vacation Challenge and return the contracts by Tuesday, Jan. 8th will receive a special privilege! Contracts come home next week in the homework folders!
- ⇒ **Math-**We are fully ensconced in Unit 3. We are working with the communicative property, solving for the unknown, number strings, and math stories. Showing our work in new ways is sometimes challenging but very important as we are growing mathematicians!
- ⇒ Would you like your child to bring home a bag of books from his/her reading zone over winter vacation? Please send in a note or email us and we will work with your child on creating a bag with enjoyable books!
- ⇒ **Tuesday, Dec. 21-** Hill will be celebrating the holidays with our **All School Holiday Program at 10:30 in the Athletic Center.** Students should dress in nice/holiday attire. We hope to see you there! Dismissal is from the classroom following the concert!
- ⇒ **Lost and Found** items are located on the railing in the lower school and in the theater lobby. Please look for your child's lost items before the collection is donated to the thrift shop on Dec. 19th.
- ⇒ Please remember to use the **car name tags** that were given to you at the beginning of the year. They really help us move the line more efficiently, especially on Fridays! Many thanks!
- ⇒ What kind of bird am I? Tell Ms.  Whitehead and earn a pompom!

Questions to ask your child this week:

Let's practice subtraction combinations!

Did you know we need to read thirty minutes each day to build our reading muscles? Let's read!

Who did you eat lunch with today? What did you talk about?

What are you working on in science? Is it interesting?

I understand that you have a cold, are you washing your hands often at school? (we hope so)

Tell me about Invention Wednesday! It sounds so exciting!

Which of us is the female?
