Community Life at Hill - When parents are engaged with the school community, children benefit and thrive.
We are almost to the end of the 2022-2023 school year!

It is time to think about what books you may want to borrow for the summer. It is also time to look for those last few library books and return them before the year comes to a close. Here are a few things we think you may want to be aware of:

- **Last day for students to borrow books during the school year is May 26th.** (With the exception of books that are needed for classroom-only use.)

- **All books borrowed for the school year are due back no later than June 9th.** We will consider all school year books that are not returned by June 9th as lost, and they will be charged to the family's account.

- **Students may borrow books and have up to five (5) books out at a time for summer reading starting May 30th, with a signed permission form from their parents (see below).**

- **The library is accessible over the summer Mon-Fri 9am-4pm.** If you have questions about borrowing books and the librarian is not present, please check in with the front office.

- **Summer books must be returned no later than September 15.** Books not returned or that are returned damaged will be charged to the family's account.

Please don't hesitate to contact Marnie Butu if you have any questions at: mbutu@thehillschool.org.

Wilderness is not a luxury but a necessity of the human spirit.  
Edward Abbey

The Wilderness Camp For Kids! is a two week day camp that invites children to awaken and explore their connection with the natural world.

Held amid the rich woods and creeks of the Appalachian Mountains, children will have the chance to discover and learn, to challenge themselves, train their senses and their awareness, experience community, and care for themselves and others.

The program is designed for children ages 4 - 11

Look deep into nature, and then you will understand everything better.
