Committee on Culture and Inclusion

The Hill School Committee on Culture and Inclusion aims to build upon Hill's culture of respect and acceptance by facilitating a more deliberate focus on and appreciation of diversity in its many forms. The Committee offers events such as book groups, discussions, speakers, and workshops to the Hill community. The school community plays a key part in helping children understand their roles and responsibilities as citizens within our community.

The committee aims to further develop these skills by: providing an opportunity for staff and parents to identify and understand the needs of our community, promoting among students and adults an awareness of diversity and inclusion related matters, fostering an understanding of the global context of our Hill School lives, and developing skills that will enable students to grow as empathetic and responsible citizens capable of contributing and leading in the promotion of an equitable community.

2022-2023 members: Haley Wright (CCI Chair and parent); Lucy Turner (Faculty Liaison); Jenna Korff (Parent), Erin Coulter (Faculty), Jill Beifuss (Faculty), Will Nisbet (Staff) Julie Coles (Parent of Alumni).
